NEW BLOG!

Yes, that's right, I now have a blog. I have been asked about starting a blog for a some time now, so decided that it was time to get involved on-line. So if you would like to keep up to date with my designs, new pattern and book releases, and any other news and tidbits, please look me up at: www.thebirdhouse.typepad.com.

PEEKABOO BUNNY

I've had fun making this pretty, baby's cot quilt called **Peekaboo Bunny** in greens, pinks and creams from the Aviary fabric range, and with some lovely checks and stripes.

It would look just as great in blues & pale browns for a little boy too. RRP – \$17.60

KITCHEN CAPERS B.O.M

My latest Block-of-the-Month is called **Kitchen Capers** and features fairies getting up to lots of mischief in the kitchen. I've also included a bonus project, a matching pillow sham.
